Fit Bit

TO MAKE YOUR DONATION PROCESS EASIER PLEASE FILL OUT THE GIFT IN KIND FORM BEFORE YOU ARRIVE

Please keep in mind that if supplying multiple gifts you consider providing from each category so everyone in our Families at the House can receive a gift over the holidays (gifts for parents and teens are much needed), or contact the House for highest demand.

Due to the immune suppressed nature of many of the children staying at the House, we cannot accept used toys or perishable food items. Gifts must be unwrapped, but to add festive cheer we encourage including wrapping paper and gift bags in your donation. Taxable donation receipts can be requested (we require receipts showing the value of the purchase in order to issue a taxable donation receipt).

Should you have questions about the items or delivery to the House, please contact the House at 403-240-3000 or development@rmhcsca.org
